DESCRIPTION

My name is Tan Ping Cheun from Penang Malaysia, currently 23 years old. I recently graduated with a Diploma in Internet Technology from TARUMT and am currently pursuing a Bachelor of Information Systems (Hons) in Business Information Systems at UTAR. As I continue my academic journey, I am eager to apply my knowledge and skills in a practical setting. I am actively seeking a full-time IT related position to contribute to the team while enhancing my professional experience.

WORK EXPERIENCE

Programmer (Internship)	2022 October - 2022 December
Dynamike Enterprise I Kampar Perak	
Software Tester (Internship)	2020 November- 2021 January
