TAN PING CHEUN
FRESH GRADUATE ON UTAR

DESCRIPTION

My name is Tan Ping Cheun from Penang Malaysia, currently 23 years old. I recently graduated with a Diploma in Internet Technology from TARUMT and am currently pursuing a Bachelor of Information Systems (Hons) in Business Information Systems at UTAR. As I continue my academic journey, I am eager to apply my knowledge and skills in a practical setting. I am actively seeking a **full-time IT related position** to contribute to the team while enhancing my professional experience.
